

DARSHAN SANJEEV MALI

☎ +91 8668500533 ✉ darsham765@gmail.com  [linkedin.com/in/darshanmali](https://www.linkedin.com/in/darshanmali)  github.com/darshanmali  [kaggle.com/darshanmali](https://www.kaggle.com/darshanmali)

Professional Summary

Results-driven **Data Analyst** with hands-on experience in **SQL, Python (Pandas, NumPy, Matplotlib, Seaborn)**, EDA, and statistical analysis. Proven ability to clean, analyze, and visualize datasets of 1,000–20,000+ records to extract actionable business insights. Built an **AI-powered automation agent** using Python and Sentence-BERT, and delivered **25+ SQL queries** for real-world sales analytics. Demonstrated leadership as **AIR 1 at IIT Bombay's National Entrepreneurship Challenge**. Actively seeking a **Data Analyst internship** to leverage technical skills and drive data-driven decision-making.

Technical Skills

Languages & Query: Python, SQL (PostgreSQL), C/C++

Data Analysis & EDA: Pandas, NumPy, Exploratory Data Analysis (EDA), Data Cleaning, Data Wrangling, Feature Engineering

Data Visualization: Matplotlib, Seaborn, (*Learning: Tableau, Power BI*)

Statistical Analysis: Descriptive Statistics, Correlation Analysis, Outlier Detection, Hypothesis Testing (basic)

Databases & Tools: PostgreSQL, pgAdmin, Jupyter Notebook, VS Code, Git & GitHub

AI / Automation: Sentence-BERT (NLP), Telegram Bot API, GitHub Actions, Web Scraping

Productivity Tools: Microsoft Excel (VLOOKUP, Pivot Tables, Charts), Google Sheets, Kaggle

Soft Skills: Data-Driven Decision Making, Stakeholder Communication, Problem Solving, Leadership

Experience

Head of Finance

Jan 2025 – Present

MET Entrepreneurship Cell (E-Cell)

Nashik, Maharashtra

- Managed and analyzed event budgets, expense records, and sponsorship data across **5+ campus events**, enabling data-driven fund allocation decisions.
- Maintained structured **financial datasets** in Excel with real-time tracking of cash flows, income, and expenditure, improving reporting accuracy by **30%**.
- Generated financial summaries and trend reports to provide the core team with **actionable budget insights**, reducing overspend risk at each event.
- Applied **data interpretation** skills to reconcile records, identify spending anomalies, and present insights to senior stakeholders.

President — STAPLE Committee (Student Training, Placement & Essential)

Nov 2023 – Present

MET Bhujbal Knowledge City

Nashik, Maharashtra

- Led **data collection and analysis** for 200+ students to assess placement readiness, identify skill gaps, and measure training effectiveness.
- Designed training roadmaps by analyzing **student performance data** and aligning outcomes with live industry hiring trends and placement data.
- Collaborated with alumni and industry mentors to **build data pipelines** for tracking career progress and training ROI.
- Increased student placement preparation coverage by coordinating targeted interventions based on **quantitative skill-gap analysis**.

Projects

AI-Powered Data Analyst Job Alert Agent | *Python, Sentence-BERT, SQL, GitHub Actions, Telegram API* 2025

- Built an end-to-end **automated AI agent** that aggregates Data Analyst job postings from multiple online sources, deduplicates records, and logs them into structured CSV files for historical tracking.
- Integrated **Sentence-BERT (NLP)** for semantic similarity scoring to match job relevance against role, skills, and experience profile with **90%+ accuracy** in ranking relevant postings.
- Automated **real-time job alert delivery** via Telegram Bot; scheduled execution using GitHub Actions, ensuring zero manual intervention.

SQL Sales Data Analysis | *PostgreSQL, pgAdmin, Data Modeling, Business Intelligence* 2024

- Wrote **25+ optimized SQL queries** using JOINS, GROUP BY, subqueries, and window functions to extract business insights from a relational sales database.
- Analyzed **customer behavior patterns, revenue trends, and product performance**, providing insights equivalent to a business intelligence dashboard.
- Structured query logic to answer key business questions: top-performing products, monthly revenue shifts, and customer retention signals.

House Price Analysis (Kaggle EDA) | *Python, Pandas, EDA, Statistics, Feature Engineering*

2024

- Performed full **exploratory data analysis (EDA)** on 1,460+ property records with 20+ features to identify key drivers of housing prices.
 - Applied **missing value treatment, outlier detection (IQR method), and feature correlation analysis** to clean and prepare data for downstream modeling.
 - Derived pricing insights for real-estate market evaluation; published documented codebase on **GitHub and Kaggle**.
- Student Performance Analysis** | *Python, Pandas, Matplotlib, Seaborn, Statistical Analysis* 2024
- Cleaned and analyzed **1,000+ student records** to investigate factors impacting academic performance using Pandas and NumPy.
 - Performed **correlation analysis and feature importance exploration**; uncovered patterns linking attendance, study hours, and scores.
 - Created **10+ data visualizations** (heatmaps, bar plots, scatter plots) using Matplotlib and Seaborn for intuitive insight communication.

Education

MET Bhujbal Knowledge City, Institute of Technology	Nov 2022 – Present
<i>Bachelor of Technology (B.Tech) — Computer Science & Design</i>	<i>Nashik, Maharashtra</i>
• CGPA: 7.6 / 10 — Relevant Coursework: Data Analysis, Software Development, Programming, Statistics, Database Management	
Sir Dr. M.S. Gosavi Junior College of Science & Commerce	Mar 2022
<i>Higher Secondary Certificate (HSC) — Science</i>	<i>Nashik, Maharashtra</i>
• Percentage: 57% — Physics, Chemistry, Mathematics, Computer Science	

Certifications

Top Performer — Data Structures & Algorithms (C++) <i>E&ICT IIT Guwahati (Coding Ninjas)</i>	Dec 2025
Proficiency in C Programming (PCP) <i>AICPTR</i>	Jul 2023
Maharashtra State Certificate in Information Technology (MS-CIT) <i>MKCL</i>	Jan 2021

Awards & Achievements

- AIR 1 — National Entrepreneurship Challenge (Advanced Track):** E-Cell, IIT Bombay (E-Summit 2024) — Ranked **#1 nationally** across all participating institutions.
- 1st Runner-Up — Western Entrepreneurship Challenge (WEC):** KIT Kolhapur — Top 2 recognition in regional entrepreneurship competition.
- Core Coordinator — Illuminate:** Campus-level flagship event, MET Bhujbal Knowledge City.

Languages

Marathi (Native) **Hindi** (Fluent) **English** (Professional Proficiency)

Currently Learning

Tableau | Power BI | Machine Learning (scikit-learn) | ETL Pipelines | Cloud Basics (AWS/GCP) | Statistics & Probability (Advanced)
